

Rhwydwaith Arloesi Gwyrdd.
Green Innovation Network.

Green Innovation Network Quarterly

A Green Economy has never looked so good!

Beat recession blues and discover new and better ways of working with our autumn event

Thursday 4th October at The Quay, Deganwy

15:30-18:45: Speakers and round table discussion

Speakers

Peter Jones OBE

Resource efficiency guru and former director of BIFFA waste services has a long standing career in advancing a green economy and will challenge us to grow greener

Dwelle

Architect of affordable and sustainable micro-homes, recently showcased at the Manchester Greenbuild Expo and Grand Designs, Birmingham and winner of a 2010 British Home Award

Sustainability Showcase

What's everyone else doing...?

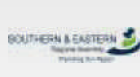

Network members and visiting Irish businesses showcase their green economy successes and challenges in this interactive quick fire show-case session

Network and eat over a free buffet supper at 18:45

Please email Sue at s.francis@bangor.ac.uk to book your (free) place

Opportunity . Inspiration . Collaboration
